

# Drivers must know the flags to be able to race

We encourage parents to ensure their children learn the flags so that they are prepared for race day.

## **RACE START**

This flag is used for standing or rolling starts.

## **SLOW DOWN**

Slow down and do not overtake, there may be a possible hazard ahead or we are slowing down the circuit.

## **STOP KART SAFELY**

Come to a gentle stop at one side of the circuit. Do **NOT** slam on your brakes.

## **WARNING FLAG**

There is no contact in Karting, if we see any deliberate contact you will be warned, do not do it again or you will be black flagged.

## **BLUE FLAG**

You are going to be lapped by race leaders, allow them to overtake you.

## **BLACK FLAG**

Return to pit lane, pit lane speed is walking pace.

## **CHEQUERED FLAG**

End of the session, make your way to the pitlane.
